

Sarix Professional Range

Product at a Glance

- Up to 5 MP resolution
- Impressive clarity in magnified video
- Choose from many form factors
- Superior adaptive IR

With selection, versatility, and affordability, the Sarix™ Professional Range packs the most popular features and functionality of Sarix technology into a variety of indoor and environmental IP cameras.

Maximum Choice for Any Application

Mix and match the technical options and form factors you need for one of the widest selections of box, bullet, and mini dome cameras in the industry. The Sarix Professional Range offers an extensive choice of models, one-stop shopping, and competitive prices so you will find the camera you need for almost any lighting condition, environment, or application. The Sarix Professional Range is driving the future of imaging science.

All Sarix Professional Range cameras integrate with Pelco and major third-party video management systems through the Pelco API and ONVIF™ Profile S and Profile G standards.
